THE ABSOLUTE
BEST SUMMER
SALES
EXPERIENCE
AVAILABLE.

PERIOD.

DREAMS DON'T
WORK UNLESS
YOU DO.

01.
COMPENSATION

Vantage has the highest compensation plans in the industry. Your efforts will be rewarded through aggressive pay plans that have produced the top earners in the business. Simply put, you will make more money with Vantage - end of story!

02.
INCENTIVES

While bi-weekly paychecks are nice, we understand the power of great incentives. Throughout the summer you will have the opportunity to earn thousands in cash and prizes through motivating individual and team competitions. Vantage keeps a tough job fun and motivating!

03.
MARKETS

Most companies offer just a handful of overly competitive sales markets. Vantage has more market options than anyone - as in 10 times more! From Seattle to Florida, Hawaii to New York, we will put you in the best market to succeed! Don't let anyone tell you the market doesn't matter, it most definitely does!

04.
TRAINING

A company's training is only as good as those providing it. The Vantage Training Program (VTP) was developed by, and continues to produce, the top reps in the industry. Training tools include manuals, modules, videos, and on-the-door, one-on-one mentorship. Vantage will ensure you are more than ready to sell the first door you knock!

THE MOST
IMPORTANT THINGS
ARE NOT THINGS.

THEY'RE PEOPLE.
VANTAGE

05.
CULTURE

The summer-sales industry is notorious for making huge promises and failing to deliver. You won't find that here. We will be honest about the "goods" and "bads" of the job. Truth is, this job is not for everyone. It's hard work and you won't make a million dollars this summer. However, you will work with great people who will ALWAYS be honest, and help you set challenging, but realistic goals.

06.
PRIORITIES

While we are positive you will make great money here, we do not believe money is the most important thing in life. In fact, we believe three things should always come before the mighty dollar—faith, family, and friends. This isn't some cheesy "catchphrase". It's simply the way we do business. At Vantage you will NEVER be asked to do ANYTHING that places money ahead of what really matters.

"Vantage is the best summer sales company out there! I have the utmost respect for the owners due to their impressive values and ethics. Vantage has always treated me fairly, and the growth opportunity is unmatched. I've never been just a number to them -- which is often the case in the summer sales arena. Based upon my personal experiences and successes, I wouldn't even consider working for another summer sales company. Trust me when I say I've done my homework. This is the best place to be, period!"

“I had actually signed with another pest control company, but wasn't really sure of how to best prepare. I sat in one of the training meetings at Vantage, and although I had committed to another company, the answers at Vantage were exactly what I was looking for. I couldn't be more thankful I made the decision I did. Vantage will always do whatever it takes to help!”

“Was it hard? Incredibly. Was it exhausting? Unbelievably. Did it push me? More than I could have imagined. Was it worth it? NO QUESTION IN MY MIND! If I had to go back, I wouldn't change a thing. Vantage was the key to so much of my current reality. Vantage, in a very real way, changed my life. If you'd like to be comfortable, don't do this. If you'd like to be successful, quit worrying, sign the stupid paper, and go with Vantage.”
